TO WHOM IT MAY CONCERN

This reference concerns Mr. Paul Stone of 32 Albany Way, Seaford Rise.

I have known Paul professionally for about 3 years, as a Building Supervisor/  
Project Manager.

In that time I have observed that he has coordinated the construction of projects up to  
\$1m in value.

In my experience Paul has shown excellent technical ability in construction of these  
projects and has produced quality work.

He has a sound knowledge of building standards, good building practice and good  
practical application.

At a personal level I have found Paul to be a person of exceptional technical ability,  
integrity and honesty, with a friendly demeanour and a "can do" attitude.

I am happy to recommend Paul as a Project Manager.

A handwritten signature in black ink, appearing to read 'Danny Holland'. The signature is fluid and cursive, with a large initial 'D' and a long, sweeping tail that ends in a sharp upward stroke.
